

WEST BALTIMORE UNITED: A PLAN TO RECONNECT COMMUNITIES

West Baltimore United

Stakeholder Workgroup
Meeting #3
August 19, 2024

WEST BALTIMORE UNITED: A PLAN TO RECONNECT COMMUNITIES

An aerial photograph of West Baltimore, Maryland, showing a wide, multi-lane highway bridge in the foreground with a yellow car driving on it. Beyond the bridge is a large green park area with several walking paths and a row of trees. In the background, the dense urban landscape of Baltimore is visible, including various residential and commercial buildings and the city skyline in the distance.

Welcome!
